Sub: Request for AITMA membership in MTD-04

Dear Ma'am,

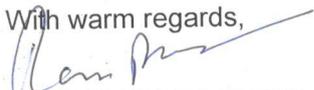

As you are aware, the All India Transformers Manufacturers Association (AITMA) serves as the apex body representing the Indian transformer and allied industries. AITMA represents over 75% of transformer manufacturers, playing a crucial role in developing the power infrastructure of our country.

AITMA has been an active member of ETD 16 of the Bureau of Indian Standards (BIS) since 2016, contributing meaningfully to the deliberations and decisions of the Division.

We request the Bureau of Indian Standards to also add AITMA as a member of MTD 04 in order to include representation of this significant segment of the transformer manufacturing industry as user of various grades of steel, including Cold Rolled Grain Oriented (CRGO) Steel.

We look forward to your kind consideration of our request to ensure contribution of AITMA membership in the activities of MTD 04 of BIS.

With warm regards,

RAM PRAKASH GUPTA
Additional Director General
All India Transformers Manufacturers Association (AITMA)

Copy to:
Mr. Sandeep Kumar Kar
Chairman MTD - 04
Bureau of Indian Standards
